APPENDIX "A" TO BYLAW 27 (12)
PORT DOVER YACHT CLUB DOCKAGE RULES AND REGULATIONS

A. DOCKAGE SENIORITY – as amended **November, 2015**

- (1) Dockage Seniority is determined by the total number of years of dockage rental history up to and including the previous rental year. In cases where Members have the same total number of dockage rental years, then Bylaw 27 (12) Appendix "A", C (11) applies. In cases where applicants have no dockage rental history, seniority will be based on the total number of years of club membership. In such cases, applicants with the greatest number of years are deemed to have the greater dockage seniority than those with fewer membership years. In cases where applicants have the same total number of membership years, the actual date membership was conferred will be used.
- (2) Dockage Seniority shall be the primary consideration in the assignment of available docks. Dockage Seniority shall not be used to displace other Members with less Dockage Seniority from their assigned slips.
- (3) Any seniority for dockage is based on continuous membership.
- (4) Members, without Dockage Seniority, who are applying for dockage, qualify by date of membership seniority.
- (5) Application for dockage and transfer of assigned dockage must be made in writing every year to the Dock Master. All such applications received by the Dock Master before the specified deadline shall be considered equally.
- (6) Every year when the dock assignments are completed, the Dock Master will submit the revised Dockage Seniority list to the Board of Directors for scrutiny and ratification. The scrutiny will examine all changes from the previous list and verify the membership seniority of newcomers in accordance with Bylaw 2, Par. 6. The Dockage Seniority list will be then ratified by the Board of Directors, signed and dated by the Dock Master and posted. *New 2002*
- (7) Fees for dockage not received by March 1st shall result in loss of assigned dockage. *Rev. 1994*
- (8) New applications for assigned dockage and requests for transfer of assigned dockage must be received by the Dock Master by February first (1). *Rev. 1994*
- (9) Should a Member refuse adequate assigned dockage, the Member must re-apply in writing to reinstate his or her seniority.
- (10) Members and spousal Members shall not be assigned a second dock. *New 2003*

- A committee of four (4) will be established, the Grounds Member from the Board of Directors and three (3) others who must have a boat docked that year and one (1) each from the main area, the island and the lagoon will be appointed. Since these funds will only be applied to capital dock expense, the Committee will advise and be the liaison with the Board for use of these funds. For the purposes of this section, a "dock user" shall be considered to be the Member that actually docks their boat in the given slip for that year. Dock Reserve Funds SHALL ONLY be spent upon the approval of the membership at an Annual General Meeting or Special Meeting. *Rev. 2014*

B. PARTNERSHIPS

- (1) Lease and Partnership agreements must be submitted to the Dock Master before a dock is assigned. *Rev. 2004*
